Confirmation of Terms and Conditions:

- I confirm that I am the owner of the property at the installation address stated above and/or that I am authorised by the owner to install an import/export meter at this address.
- I agree to the new meter installation charge ranging between \$155 - \$305 (depending on location and travel times for contractor) being added to my Trustpower account. I understand that if asbestos is found on my meter board there will be an additional charge of \$120, or the job will be turned down due to safety.
- I understand that if the job is turned down for health and safety reasons or I miss the appointment with the contractor or they cannot get access to the meter or wiring to complete the work there is a turn down fee of \$69.
- I understand that my current pricing plan may change as a result of the new meter installation.
- I understand that once the meter change job has been logged it can take at least 10 working days to complete.
- I have included/attached a copy of my accepted network application.
