**Additional Data Charges** Additional data packs are available and charged at \$10 for 10GB. Data packs are either automatically or manually applied. A one off 10GB data pack is automatically applied when the full monthly data allowance is consumed (if no manual data packs have been added already, otherwise it will activate after the manually added data pack has been consumed). There is only one automatically applied data pack available per month. There are 4 manual data packs available for purchase per month for the 60GB and 120GB plans, and 2 manual data packs per month for the 300GB plans. Data packs are available for use for 30 days from purchase.

We'll send you an email and/or text once you reach 80% of your monthly data allowance, and again once you reach 100%.

**Set Up Charges** You'll get a free standard connection.

A modem postage and handling fee of \$14.95 applies to all new modems supplied.

| <b>Notice Period</b>             | For information on our Terms and Conditions <a href="#">click here</a>  |
| <b>Other Requirements</b>        | <b>Broadband Bundle Discount</b><br>To be eligible for the Broadband Bundle Discount you must sign up for a broadband plan, as well as receiving power and/or gas from Trustpower.  |
| <b>Traffic Management</b>        | We reserve the right to manage traffic at peak times (for example, by limiting the speed at which you can download or upload content), to ensure all customers get the best possible experience even at busy times. Overall, this should have a positive benefit for our customers. If we make any changes to this policy which will have a material impact on you we will let you know.  |
| <b>Effects on other services</b> | Your broadband service requires mains power to operate. If power is not available (e.g. during a local power outage) the broadband, and any services which run over it, may stop working unless you have battery backup in your home.<br>For phone services, if you have a corded phone which does not require AC power, this should work during power outages for some time.<br>This means services such as (but not limited to) Medical and Security Alarms or EFTPOS may stop working. It is your responsibility to check with the provider of existing services to make sure they will operate under such circumstances.<br>You should check with the provider of existing services such as some medical alerts, monitored home alarms, and interactive features of SKY TV to make sure they will work with this service. |
| <b>Other charges</b>             | Naked broadband does not have a landline, so there will be no calling or additional phone charges.  |
| <b>Disputes</b>                  | At Trustpower, we value customer feedback and take care to address complaints.<br>For information about our customer complaints process please <a href="#">click here</a><br>Trustpower is a member of the Telecommunication Dispute Resolution scheme, a free independent service to help customers resolve disputes.<br>For more information <a href="#">click here</a>   |
