

Wireless Broadband with Phone

12 Months Half Price Broadband Offer

Offer Summary – 5 September 2019

Service Overview

Service Description Wireless Broadband connects your home through a 4G wireless connection. We offer four plans for wireless broadband – 60GB, 120GB, 240GB Urban and 240GB Rural.

The wireless broadband offer we have is:
A wireless broadband connection and Home Phone line.

You'll get a landline for your phone as well as your broadband. The landline connects you to the public phone network so you can make local, national, international and mobile calls from your home phone.

With your wireless broadband you will have a variety of calling rates with Tolls free calling areas to choose from. For more details [click here](#)

Availability Wireless Broadband is only available in rural and urban areas where applicable 4G coverage and capacity are available. You can check availability of services when signing up via our website or by calling our friendly team on **0800 87 87 87**.

Service Charge	Monthly Data Allowance:	Charge: With Power <small>(Includes Bundle Discount)</small>
	60GB	\$39.50 for the first 12 months then \$79 for the next 12 months
	120GB	\$44.50 for the first 12 months then \$89 for the next 12 months
	240GB Urban	\$49.50 for the first 12 months then \$99 for the next 12 months
	240GB Rural	\$74.50 for the first 12 months then \$149 for the next 12 months

The 12 Months Half Price Broadband offer is only available to new residential customers who join Trustpower for power and broadband services at the same address on a 24 month contract. Customers joining on this offer will receive the first twelve months of their chosen broadband plan at half price.

Additional Data Charges Additional data packs are available and charged at \$10 for 10GB. Data packs are either automatically or manually applied. A one off 10GB data pack is automatically applied when the full monthly data allowance is consumed (if no manual data packs have been added already, otherwise it will activate after the manually added data pack has been consumed). There is only one automatically applied data pack available per month. There are 4 manual data packs available for purchase per month for the 60GB and 120GB plans, and 2 manual data packs per month for the 240GB plans. Data packs are available for use for 30 days from purchase.

We'll send you an email and/or text once you reach 80% of your monthly data allowance, and again once you reach 100%.

Set Up Charges

You'll get a free standard connection and a modem on a 24 month contract.
A modem postage and handling fee of \$14.95 applies to all new modems supplied.

Traffic Management

We reserve the right to manage traffic at peak times (for example, by limiting the speed at which you can download or upload content), to ensure all customers get the best possible experience even at busy times. Overall, this should have a positive benefit for our customers. If we make any changes to this policy which will have a material impact on you we will let you know.

Effects on other services

Your broadband service requires mains power to operate. If power is not available (e.g. during a local power outage) the broadband, and any services which run over it, may stop working unless you have battery backup in your home.

Your landline will also stop working if there is a problem with your broadband service. This will prevent you from making calls to emergency services.

If you are on Naked Broadband you will no longer have a dial tone. This means services such as (but not limited to) Medical and Security Alarms or EFTPOS may stop working. It is your responsibility to check with the provider of existing services to make sure they will operate under such circumstances.

Other charges

These wireless broadband packages come with a landline. Your local calls are free.

Any calls made to national, international, mobile and 0900 numbers will be charged at their standard rate. We do have additional calling packages available for National, Mobile and some international destinations.

Additional charges may apply for items such as non-standard installations, additional in-home technician work performed at the time of connection etc.
